THE DALTILE ADVANTAGE

THE PERFECT COMBINATION OF BEAUTIFUL PRODUCTS, WIDE REACH AND COMMITMENT TO SERVICE

The Daltile brand name has been synonymous with quality products and outstanding service for over 67 years, offering the most multifaceted selection in the industry. Style and design are the hallmark of our brand, with options sure to suit any taste.

As the country's leading manufacturer and distributor of ceramic tile and natural stone, our vast resources allow us to be a true single-source supplier for the building and remodeling industry. Our amazing range of products makes us a convenient and knowledgeable choice for any design and almost any hard-surface application.

Besides being dedicated to offering innovative tile and stone products of the highest quality, we are committed to providing

our customers with efficient, professional service with every call. We deliver a level of personalized service that supports your team for smooth and timely project completion.

With Daltile.com, we are always just a click away, providing you with the resources, inspiration and experience you need. On our website, you will find comprehensive product information and product care and maintenance, as well as a tile and stone visualizer, mosaic pattern designer and tile calculator.

For any project, big or small, Daltile has the products and resources you need to support a seamless and successful completion.

GREEN BUILDING

Daltile stands for beautiful design in every way possible. Because we believe the best design includes consideration for the environment, we believe in Greenworks™, our philosophy and commitment to helping create beautiful designs in ways that may also reduce environmental impact.

Daltile Greenworks is more than just a compilation of our sustainability programs — it's a company-wide philosophy, a commitment to help contribute to the design of your sustainable projects without compromising your artistic vision.

The opportunities for building greener are limited only by your imagination. Not only does Daltile offer a wide range of beautiful

products, we also have tools and resources in place to make the process of building a green home easier for you, including:

- Products and resources that can help you qualify for LEED® certification
- Products certified under the Green Squared™ Program
- 97% of Daltile's manufactured products contain pre-consumer (post-industrial) recycled materials
- Real-time information on recycled materials content
- Information on whether or not your home or project falls within a 500-mile radius of one of our plants, making it easy for you select the material that best meets your needs

BUILDER STUDIO

Daltile is proud to present the Builder Studio program. This comprehensive program has been created specifically for our homebuilder customers and features:

- Floor, wall, natural stone and accent tile plus bath accessories, quartz and slab products
- A broad spectrum of quality products for any style of home
- Products carefully selected for their design relevance and staying power
- A variety of products within pricing levels providing several choices for easy upgrade options
- Ability to customize by local market
- Outstanding sales support and distribution points give Daltile the ability to offer exceptional customer service, national product availability, consolidated distribution, and superior turnaround.
- Product knowledge and continuing education

Your Daltile sales representative will work with you and your installer to provide recommendations based on your merchandising objectives, space requirements, neighborhood and customer needs. Our representatives are the most knowledgeable in the industry and can tailor a comprehensive program to fit your specific project.

BUILDING A BIGGER FOOTPRINT

Combined with our parent company, Mohawk Industries, we are one of the largest manufacturers and distributors of hard-surface products in North America. We continue to grow our manufacturing aptitude by adding millions of square feet of production capacity through the expansion of current plants as well as the addition of new facilities.

Through our broad distribution network, we manage logistics to ensure each order is received complete and on time. By working with your local sales representative, we are able to smoothly move product from manufacturing plants to a local sales service center for short-term storage, quick delivery, or pick up.

MANUFACTURING AND SALES & DISTRIBUTION

- 7 North American Manufacturing Plants
- Over 200 Sales Service Center Locations
- 25 Stone Centers / Slab Yards
- 13 Design Galleries & Design Studios
- 500 Company-Owned Trucks
- Multiple Regional Distribution Centers

ONE™ QUARTZ

Functionality and fashion meet in this eco and bio-friendly product series. Enjoy the beauty of quartz in a durable format, making it perfect for almost any application.

Photo features ONE™ Quartz in Snow Leopard slab.

Daltile has expanded the successful ONE™ Quartz product line to include four new, contemporary colors that are exclusive to the Builder Studio program. These new exclusives are available in 2 cm and 3 cm thick. We also now offer a new 1.2 cm thick coordinating slab, ideal to match shower walls and tub surrounds to thicker slabs used on countertops and vanities.

INSTALLATION PRODUCTS

To achieve and ensure a successful, long-lasting installation for your tile and natural stone, it is advantageous to partner with Daltile. Although Daltile does not manufacture installation products, we are an industry leader in the distribution of these essential materials and recognize that installation products are important in crafting a beautiful design and quality installation.

Installation products to consider:

Surface preparation products, shower installation systems, membranes, waterproofing systems, mortars, grouts, and care/maintenance products.

Our representatives can provide in-depth product

knowledge and access to some of the best products from the following leading manufacturers, available at over 200 of our sales and service centers across the country.
